30 Forensic Engineering
40 University Avenue, Suite 800
Toronto, ON
M5J 1T1

Attention: Human Resources Department

Re: Transportation Engineer Position

Further to the job posting, please find attached a copy of my resume.

I have over 30 years experience in municipal engineering, much of which is traffic safety related. In addition, I have experience in preparing and presenting staff reports to municipal councils and in using traffic engineering related software.

Thank you for your time and consideration in this regard.

Sincerely,

David Wong, P. Eng.
