

Sa'ad Wadah Salman Al-Khalifa

Irbid, Jordan

Phone: +962786029660

E-mail: saadansary94@gmail.com

Education: B.Sc. in Civil Engineering from Jordan University of science and Technology (JUST), Graduate year 2018/2019.

Languages:

- English (Good)
- Arabic (Native)

Skills:

- Good Etabs user (Engineering software).
- Good SAFE user (Engineering software).
- Excellent REVIT STRUCTURE user (Autodesk certified Professional user).
- Excellent Computer skills.
- Excellent Microsoft office user.

Personal skills:

- Excellent in communication.
- Ability to work under Pressure.
- Driven.
- Time management.
- Adaptability.

Activities:

- Teaching students in academy
- Volunteer work helping the community.

Projects:

- Expansive Soil Structure interaction, structural analysis with software engineering.
- Steel trusses design.
- Reinforced concrete residential building design.
- Waste water treatment pipe system design.
- Traffic two-lane highway road design.

Courses:

- Introduction to soil.
- Principles in foundation engineering.
- Reinforced concrete.
- Steel Design.
- Traffic engineering.
- Advanced concrete cement materials.
- Concrete design.
- Waste water treatment engineering.

Experience: Good in Soil test, Pavement lab design, expansive soil lab work, concrete tests, quality control for row material, reinforcement receipt, plans reading.
